The style of preparation (fonts, Chapter No., margins, section and subsection no., equation no., figures, tables, etc.) must be as in case of the thesis. Ph.D. synopsis should be 4-6 pages long and M.S. synopsis should be 2-3 pages long, excluding the cover page. Single-line spacing and 12-pt font size should be used in the synopsis. References should be given in 10-pt font size. Here are some examples for citing references: Lamport (1986) and Ahren *et al.* (2005) along with Roenby *et al.* (2016). Check the official guidelines for more details.
